info@recyclestuff.org ♦ www.RecycleStuff.org

Introduction and Services

Organizational Description

The **Center for the Development of Recycling (CDR)** is a non-profit organization providing recycling-related information to Santa Clara County residents, businesses, and local governments. CDR is contracted with Santa Clara County to operate its Recycling Hotline. The hotline is staffed 9:00 am-5:00 pm, Monday through Friday. Hotline information is also available at www.RecycleStuff.org.

As part of San Jose State University's Department of Environmental Studies, CDR organizes students to staff the hotline and to research and develop its information resources. The partnership between the County and SJSU provides residents and businesses with a cost-efficient information service while students gain valuable public service experience and develop project management and information dissemination skills.

Publications and Services

Copies of the following guides are available at no charge to County residents by calling the hotline at 1-800-533-8414 or by visiting www.RecycleStuff.org.

- ❖ National Reuse and Recycling Information Resources
- ❖ Center for Development of Recycling Publication and Video List
- ❖ Unsolicited ("Junk") Mail Reduction Kit
- ❖ Home Composting Brochure
- ❖ Consumer's Guide to Product Repair
- ❖ City Recycling and Garbage Services in Santa Clara County
- ❖ Residential Recycling Providers in Santa Clara County
- ❖ Commercial Recycling Providers in Santa Clara County
- ❖ Reuse and Resale in Santa Clara County
 - ♦ (a series of separate guides for a variety of product types)
- ❖ Appliance Reuse and Recycling in Santa Clara County
- ❖ Electronics Reuse and Recycling in Santa Clara County
- ❖ Construction and Demolition Reuse and Recycling in Santa Clara County

Acknowledgments

Credit given to CDR Fall and Spring Staff 2011/2012 for research and assembly of this document.

Disclaimer

The work upon which this publication is based was performed pursuant to a contract with the County of Santa Clara. The data in this report is updated annually by the Center for the Development of Recycling (CDR). While CDR has made every effort to present accurate information in this document, names, addresses, telephone numbers, and other information may have changed since the most recent update. CDR and the County of Santa Clara make no warranties, express or implied, and assume no liability for information contained in the following text.

APPLIANCE REUSE AND RECYCLING IN SANTA CLARA COUNTY (CDR-10)

The Appliance Recycle and Disposal Guide is designed to assist the residents of Santa Clara County in finding a reuse or recycling facility for a variety of appliances. This guide includes refrigerators, clothes washers and dryers, water heaters, stoves, microwave ovens, air conditioners, and freezers.

Appliances such as refrigerators, air conditioners, and freezers use a chemical coolant called Freon. Some recyclers require that Freon be removed before they will accept the appliance. ***The Freon must be removed by a certified technician to comply with local, state, and federal regulations.*** Each item properly serviced will receive a certificate of Freon removal. Upon receiving a copy of this certificate, a recycler will accept the appliance. Not all recyclers require that Freon must be removed prior to accepting the appliance. See the “comments” section of the guide for details for each company listed.

Please call reuse facilities or recyclers in advance to find out specific details regarding their services before visiting. If you have any questions please call the Santa Clara County Recycling Hotline at (800) 533-8414 or (408) 924-5453 and our staff will research a solution at no cost or obligation. For Spanish and Vietnamese information, call (408) 924-5359 or email us at info@RecycleStuff.org.

The services provided by companies listed in this guide are defined as follows:

<u>Code</u>	<u>Source</u>	<u>Definition</u>
C	Curbside	The city’s recycler will pick-up the appliances at curbside.
D	Drop-off	Appliances can be dropped-off at the reuse or recycling facility.
F	Fee	There is a fee for the indicated service.
P	Pick-up	Companies that reuse or recycle will pick-up appliances from residents or businesses.
W	Working	The appliance must be in usable condition.

For more information please contact the County of Santa Clara Recycling Hotline
(800) 533-8414 or visit www.RecycleStuff.org
